Using MyConcern at St John Lloyd RC Primary School

MyConcern is a secure and trusted safeguarding software that is used by schools and colleges in the UK and worldwide to record, report and manage the full range of safeguarding, pastoral and wellbeing concerns. The cloud-based system enables staff to record any safeguarding concern with ease and accuracy. It also equips DSP to assess each concern, manage any ongoing action that needs to be taken and build a team around the pupil.

At SJL MyConcerns will be used by the DSPs to record and attach information for the following:

- *Safeguarding issues & the referral process (CP Social Services)*
- *Poor Attendance & Punctuality*
- *Important parental issue (e.g. contact and court orders)*
- *Domestic Violence*

Any concerns that are recorded will have a clear description and reason for the concern. They will include an action or a follow up by the DSP.
