Hearing Screening Information Letter

Date: 19/3/25

Dear Parent(s)/Carer(s)

Your child is due a hearing screen as part their health screening. We will be attending the St John Lloyd primary School on **Thursday 5th June 2025** to perform a hearing test this academic year.

If you consent to your child to be tested no further action is needed.

If you **DO NOT** wish for your child to be tested, please inform the school as soon as possible. Failure to opt out will imply that consent has been given.

Email: schoolhearingscreen.cav@wales.nhs.uk

Phone: 029 2074 8561

Children with programmable shunts should not be screened as there is a risk of the equipment affecting the shunt. If your child has a programmable shunt you will need to inform us on the above contact details.

Yours sincerely,

Cardiff and Vale Audiology Department
