

Dear Parents / Guardians

NURSERY Pupils – Fluoride Varnish programme

Fluoride Varnish Application consent message

The NHS Designed to Smile team is coming to St John Lloyd School on 04/11/2024 and 11/11/2024 to apply fluoride varnish. Fluoride varnish helps to protect your child's teeth against tooth decay. Please click [here](#) to enrol/exclude your child by **ASAP**.

(Please note: this is additional to the Toothbrushing Consent form)

Parents/carers may seek further information from you after receiving this information. Please direct queries to us (with the person's permission), by phoning: The Designed to Smile office on 01443 661795 or emailing Designed.ToSmile.SouthWales@wales.nhs.uk

Kind regards, Designed to Smile Team
