Dear Parent/Carer,

We have been informed that there have been a number of incidents around the Cemaes Crescent park area during the summer holidays. The police have been informed.

Events such as these remind us to ensure that children are always aware of “stranger danger”, particularly when they walk to and from school unaccompanied. We will remind all pupils of this in school in September as part of safeguarding procedures.

Teachers will be reminding the pupils of the following basic rules to keep themselves safe at all times.

1. Never, ever talk to strangers.
2. Always ignore strangers who ask questions or tell you to do something.
3. Tell an adult straightaway if a stranger asks you something that makes you feel upset or uncomfortable
4. Wherever possible avoid walking alone, and speak only to trusted adults (eg policeman) if you are concerned about anything.
5. Do not go anywhere with someone who is a stranger.

We also advise that you have a conversation yourselves with your children, particularly if they come to/leave school unaccompanied.

Thank you for your support, and if you do see anything suspicious in the local area, please contact the police.
