Welsh Music Collaboration

Congratulation to the pupils who represented our school at the 'Sing together' recently. This video is now available and will be played before the upcoming six nations matches. So proud of those involved, please take a look <https://youtu.be/QOmckL0a8f0>

Use of Social Media sites

There has been growing concern about pupils in primary and secondary schools using social media sites. These sites have an age restriction and must be used safely by all. Please, please ensure that there are no photos of pupils that can enable them to be identify on any social media applications. There are lots of excellent parental control apps available that help parents to control all privacy settings. Remember the safety of our children is paramount. Thank you.

Charities at St John Lloyd

With the support of our parents and the parish community we have raised thousands of pounds over the last few years. The main charities that we support throughout the year are; CAFOD, Dementia UK, Cancer care, SVP and the Homeless Centre. We would love to support more charities but due to time and financial restraints we have had to identify the above specific ones.

Next week please join us in our 'BIG LENTEN WALK' on FRIDAY 15th MARCH @ 1:30pm in the Junior Yard. All welcome £2 per child to raise money for CAFOD

Parents Evening

A big thankyou to all who met with staff this week and took the opportunity to looked at their children's work. If you have not yet met with your child's teacher an appointment will be rescheduled this week.
