SECTION 1 - INTRODUCTION, SCOPE, KEY PRINCIPLES, ROLES AND RESPONSIBILITIES

INTRODUCTION

- 1.1 The Council and its Schools are committed to flexible working and have a range of policies and procedures that enable employees to manage their work/life balance and at the same time continue to deliver great customer service.
- 1.2 Flexible Retirement is a discretionary element of the Local Government Pension Scheme (LGPS) and although the Council is obliged to formulate and publish its policy on Flexible Retirement, it is not obliged to have a scheme. However, taking account of the Council's and Schools commitment to flexible working there are benefits to both the Council and employees in having a Flexible Retirement Policy.
- 1.3 Flexible Retirement is a provision contained in the Local Government Pension Scheme that allows employees who meet the age requirements, and have had a reduction in hours or grade, to draw their accrued pension benefits whilst remaining employed by the Council/Schools.
- 1.4 This document sets out the Council's policy on Flexible Retirement and the procedure for implementation. It must be read in conjunction with the Council's LGPS Discretions Policy which formally sets out the Council's application of the LGPS discretions.

SCOPE

- 1.5 This Policy and Procedure applies to all permanent school employees regardless of age, disability, gender reassignment / affirmation, marriage and civil partnership, pregnancy and maternity (including same sex), race, religion or belief, sex, sexual orientation and Welsh language.

KEY PRINCIPLES

- 1.6 Although eligible employees have the right to apply for Flexible Retirement, approval will be at the sole discretion of the Council/School in accordance with the provisions of this policy.

Employees who are members of the Local Government Pension Scheme

- 1.7 Only those employees who satisfy the following conditions may apply for Flexible Retirement:
 - (a) They must be members of the Local Government Pension Scheme and meet the vesting period of 2 years.

- (b) Under the provisions of the LGPS scheme employees must be aged 55 or over.
- (c) There must be a permanent reduction in hours and/or grade of at least 25%
- (d) Where appropriate, employees must give an undertaking that if their application is approved they will continue to work for the Council for an agreed length of time.

Employees who are members of the Teachers' Pensions Scheme

1.8 Under the provisions of the Teachers' Pension Scheme flexible retirement is referred to as 'Phased Retirement'. For the purposes of this policy and procedure, the term 'Flexible Retirement' will be used as a generic term for all eligible employees. Employees who are members of the scheme must be:

- (a) Aged 55 or over.
- (b) Have their pensionable salary reduced by at least 20% of the average salary received in the previous 6 months.
- (c) The reduction in salary has to be for a minimum of 12 months.

All Applicants

1.9 Serious consideration will be given to all written requests for Flexible Retirement, however approval will only be given where there is a sound financial business case for doing so.

1.11 Upon flexible retirement the employee will receive accrued pension benefits (i.e. pension earned up to the date of retirement) plus any lump sum payment. However, if the benefits become payable before the employee's Normal Pension Age (NPA), they may be actuarially reduced to take account of early payment. Normal Pension Age is linked to the employee's State Pension Age (SPA).

1.12 Broadly, for LGPS members the effect of actuarial reduction may be as follows:

- If the employee was an active member of the LGPS as at 30 September 2006 and satisfies the 85 Year Rule when flexibly drawing their benefits, they will have some form of protection.
- If the employee joined the LGPS on or after 01 October 2006, the 85 Year Rule does not apply and their benefits will be reduced in full regardless of their age. However, the closer to their NPA that they retire, the less any reduction to their benefits will be – further details can be obtained from www.lgpsmember.org

- 1.13 Where there is a pension reduction this is permanent and will remain even after normal retirement age has been reached. For members of the LGPS the Council may waive a pension reduction in appropriate cases, but should only do so in exceptional circumstances, for example on exceptional compassionate grounds. Approval from the Governing Body and Education finance will be required.
- 1.14 A successful request for Flexible Retirement will result in a permanent change to the employment contract, the employee may continue contributing to the pension scheme and earn an additional pension to be accessed when eventually they fully retire.
- 1.15 Employees will only be allowed to retire flexibly once.
- 1.16 If a request for Flexible Retirement is turned down the employee will be provided with a written explanation of the reasons why the request cannot be accommodated.
- 1.17 If an employee feels that a request has not been given due consideration, an appeal can be made to the Grievance Committee.
- 1.18 **Final approval will be required from the Chief HR Officer or nominated representative, Corporate Director Resources and the Section 151 Officer.**
- 1.19 This policy and procedure will be reviewed periodically to take account of operational experience and/or any subsequent legislative changes.
- 1.20 Although an employee can be given details of their estimated pension entitlement to inform a decision about Flexible Retirement, the Council cannot give financial advice.
- 1.21 Annual pension payments are subject to tax deductions, the rate of which will be determined by the level of the pension payments made. The pension lump sum payment is not subject to deductions.
- 1.22 This policy has been written to include, so far as is reasonable, preventative procedures in relation to Corporate Criminal Offence, pursuant to section 45(2) of the Criminal Finances Act 2017.

The Headteacher/manager, will ask HR People Services to request the pension estimate and any costs from Financial Services. To allow sufficient time for the financial information to be requested and returned, and for the headteacher/manager to consider the request, the employee should give at least 12 weeks' notice in advance of their desired Flexible Retirement date. In the case of Teachers, notice should coincide with the usual notice provisions, unless otherwise agreed.

Once in receipt of the pension information HR People Services will write to the employee providing details of their estimated retirement benefits and separately write to the headteacher to provide details of any financial costs to the school. In the case of Teachers' Pensions, the employee must apply direct to Teachers' Pensions for the pension estimate.
- 2.3 The headteacher will arrange a meeting with the employee within 14 working days of the receipt of the financial information to discuss the application. The employee has the right to be accompanied at this meeting by either a trade union representative or a work colleague. The headteacher, in consultation with the chair of governors will consider any written request for flexible retirement HR People Services will provide advice and guidance where requested.
- 2.4 In circumstances where the application for Flexible Retirement is not supported, the headteacher will write to the employee within 14 working days of the meeting advising that the request is not approved stating the reasons for refusal.
- 2.5 If the application for Flexible Retirement is supported in principle, the

headteacher must ask the employee to complete the Flexible Retirement application form (Link). The headteacher will complete the business case in support of the application which should include the following factors :

- Service/curriculum delivery implications.
- Cost implications.
- Benefits to the Council/School
