Dear Parent/Carer,

We are currently experiencing a period of very hot weather. As a school, we are taking steps to ensure that children remain safe and comfortable during the school day.

Children can be more vulnerable to heat, so it is important that we work together to support them.

Please ensure your child:

- ***Brings a refillable water bottle to allow them to stay hydrated and drink plenty***
- ***Wears light, loose clothing (in line with school guidance)***
- ***Brings a sun hat or cap***
- ***Has sunscreen applied before school***

The school is:

- ***Providing regular opportunities to drink water***
- ***Using shaded spaces and ventilated classrooms***
- ***Adapting timetables/activities and avoiding vigorous exercise in high temperatures (PE)***
- ***Relaxing the Uniform policy ~ No ties in junior classes. Health & Safety guidance prevents the wearing of flip-flop or croc style footwear in schools.***
- ***Ensuring staff understand the signs of heat-related illnesses***

Some outdoor activities (such as after school sports clubs) may be cancelled.

Staff are monitoring children for signs of heat-related illness. Please inform the school if your child has a condition that increases their vulnerability in hot weather.

The school will remain open unless you are advised otherwise. Please continue to send your child to school, considering the above information to support us.

Kind Regards

Headteacher
