

Learning Legends – Thursday 2nd July 2026

Final session – ALL WELCOME!

Please see the message from Andrew below.....

Good morning all,

Just a quick reminder that this week is our last family learning session for this term. I thought I'd send a reminder as we have missed a few weeks.

It will be a short session as a celebration to end the course.

You are welcome to bring in treats and snacks for the children (in line with any school policies that may be in place).

I would also ask you to bring in a fun activity from home that you enjoy doing together.
