Big ideas for a more active tomorrow!

Sports Innovation Challenge!

Design it. Create it. Pitch it!

Parents and Children Working Together

We would like to invite you to join your child for an exciting afternoon of creativity, teamwork and fun!

Date: Wednesday

Time: 1:30pm

Location: St John Lloyd RC Primary School

The Challenge

Working alongside your child, you will design and create a brand-new sports product that could help people enjoy sport, improve performance, or encourage an active lifestyle.

Once your product is complete, your child will take part in a fun "Dragon's Den" style presentation, where they will pitch their invention to the class and explain why people should invest in or buy their product.

Pitch your idea!

Ideas for Your Sports Product

- A sports water bottle with a special feature
- A sports bag designed for young athletes
- A new piece of sports equipment
- A fitness tracker or activity wristband
- A sports cap, visor or item of sportswear
- A training aid for a particular sport
- An innovative product that helps people stay active
- A sports accessory that solves a common problem

You are welcome to use one of these ideas or create your own unique invention!

Resources

Please bring any materials you would like to use to create your product. Examples include:

- Cardboard and paper
- Plastic bottles or containers (clean and empty)
- Fabric, felt or textiles
- String, ribbon or wool
- Craft materials and colouring resources
- Recyclable materials from home
- Any other resources that could help bring your idea to life

We can't wait to see the fantastic sporting inventions you create together!
